

# GHIN Handicapping

For a \$30 fee the SLBGA will enroll you in the Golf Handicapping and Information Network (GHIN) Handicapping System. This official USGA handicap is used by the St. Louis Chapter of the Metropolitan Amateur Golf Association. You will be assigned a number and a handicap which will show the most recent golf scores that have been entered, up to a maximum of 20. As you enter new scores, the old scores will drop off and your handicap will be refigured.

Yes, sign me up for GHIN, \$30 fee                       Please renew my membership, GHIN # \_\_\_\_\_
